Toby FC Equal Opportunities Policy

The aim of this policy is to ensure that everyone is treated fairly and with respect and that Toby Football Club (the 'Club') is equally accessible to them all.

The Club is responsible for setting standards and values to apply through every level. Football belongs to and should be enjoyed by, anyone who wants to participate in it.

Our commitment is to confront and eliminate discrimination whether by reason of gender, sexual orientation, marital status, race, nationality, ethnic origin, colour, religion or belief, ability or disability and to encourage equal opportunities. This policy is fully supported by the Club Officers who are responsible for the implementation of this policy. It means the Club will ensure that it treats people fairly and with respect and that it will provide access and opportunities for all members of the community to take part in, and enjoy, its activities.

The Club will not tolerate harassment, bullying, abuse or victimisation of an individual, which for the purposes of this policy and the actions and sanction applicable is regarded as discrimination. This includes sexual or racially based harassment or other discriminatory behaviour, whether physical or verbal.

The Club will work to ensure that such behaviour is met with appropriate action in whatever context it occurs. The Club is committed to taking positive action where inequalities exist, and to the development of a programme of ongoing training and awareness - raising events and activities in order to promote the eradication of discrimination and promote equality in football.

The Club is committed to a policy of equal treatment of all members and requires all members to abide and adhere to these policies and the requirements of the relevant equalities legislation - Race Relations Act 1976, Sex Discrimination Act 1975 and Disability Discrimination Act 1995, as well as any amendments to these acts and any new legislation. The Club commits itself to the immediate investigation of any claims, when it is brought to its attention, of discrimination on the above grounds and where such is found to be the case, a requirement that the practice stop and sanctions imposed as appropriate.

Club Complaints Procedure

In the event that any member feels that he or she has suffered discrimination in any way or that the Club Policies, Rules or Code of Conduct have been broken, then they should bring it to the attention of one of the committee officers immediately.
