Match Report

A disappointing way to return to action after lockdown 2.0

We controlled the game for long periods without causing our opponents too much trouble.

Ramsden were much improved and deserved their win.

Next up is a tough Essex Premier Cup match against Essex Senior side, White Ensign Reserves.

Manager's Comments

We have a welcome distraction from league action today as we face White Ensign Reserves in the Essex Premier Cup.

White Ensign Reserves now play in the Essex Senior league, having left the EOFL last season. So it will be a really tough test for my boys but a challenge that were looking forward to.

We have a couple missing due to work commitments and isolation, so this is a big chance for a few of the other lads to step up and push for a place in the side for the run up to Christmas.

Good luck to Jack and his team, lets hope the winners can go a long way in this competition.

Mark Jones
Toby FC
Manager

Chairman's Comments

Good Afternoon,

I would like to extend a warm welcome to Ford Sports & Social Club to all of the players, staff and supporters of our opponents, White Ensign Res, today.

Also, a special welcome to today's referee, DeeAn Foster.

Unfortunately our facilities are still closed due to Covid. Please ensure to follow government guidelines and check in to the facility via the Test & Trace app.

Best of luck to both teams and we hope you enjoy the game!

Yours in Football,

Ben Morgan
